Oct. 1 the subscription price of
the Mansfield Mirror to subscribers
living outside of the state of Missou-
ri will be \$2 per year, payable in
advance. This increase is necessi-
tated by the general and steady soar-
ing of the expenses incident to the
newspaper business. "Going up" is
the rule nowadays and print paper
and other items are constantly on the
increase. Subscribers outside of the
state may renew before that date for
as long a time as they desire at the
present price of \$1.50, but on and
after Oct. 1 the \$2 will be strictly
observed. Renew now and save 50c.
